

Hi Liz and Ellie and all the girls at TLC Ltd

Got back from our honeymoon on Saturday and we had an absolute ball! Finally coming round to reality now, which I don't like!

I just want to say a massive thank you for all that you have done in making our day so special. It was truly magical from start to finish! Without you all, the day wouldn't of been what it was and there was no way we would of had such a spectacular wedding day without all your help and effort and support in everything you have done. My husband and I just had the best day of our lives. Our families and friends were wowed by the whole experience and I would do anything to do it all over again!

Liz you have been amazing from the first moment we met you back in February last year at your office! You knew exactly what we wanted and even more. You are incredible at what you do and you have such a great team working with you.

I'm really going to miss organising it and sending emails and calling you all! I'm so sad it's over but it was an honour to have you all helping us and making it so perfect.

I will keep you posted on pictures, the photographer did say she had broken her record and never taken so many pictures at a wedding before! So god knows how we will chose!

I can't wait to see the video either!

Hopefully we will see you In the future again, take care
Lots of love to you all
