

Subject: THANK YOU

Dear Liz,

In my capacity as Development Director of Variety the Children's Charity I am writing to thank you for the amazing kindness and outstanding support you have shown to Variety, the Children's Charity in the Northwest Region.

Liz Taylor, I cannot express my sincere thanks enough in the first instance to you personally, and then to your wonderful team at TLC for putting on an event that surpassed all expectations, and I do hope that you enjoyed the experience of working with Variety as much as we enjoyed working with you on our prestigious *Variety honours Kirsty Howard* event that was so extra special.

I can honestly say that the song "*Nobody does it better*" should be your theme song at all your events, and also can say with complete honesty I have never enjoyed working with someone who is as much fun and as professional as you are.

On behalf of me, Judi, and everyone at *Variety, the Children's Charity* we are very blessed to have had the support of you personally and of all the wonderful team you put together to make *Variety honours Kirsty Howard* such a special event.

Please pass on my sincere thanks to Ellie and Charlotte for all they did for us, they are truly great ambassadors for TLC .

I hope to see you soon.

Best wishes

Lyn
